Contribution to the community : supporting the operation of COVID-19 mass vaccination site

OSG Corporation (President: Nobuaki Osawa) has supported the COVID-19 vaccination booster (3rd dose) at mass vaccination site administrated by the Toyokawa Chamber of Commerce and Industry.

OSG has not only offered the various medical equipment, but also in-house nurses and employees have acted as a part of operation members. Our experience of providing 3rd booster, held in March 2022 to our employees, has fully applied to operate this mass vaccination site in efficient and safe manner. Over 10,000 people received the booster shot across 6 days.

OSG will do our utmost to ensure the healthy environment for our employees and local community.

OSG Corporation

- ① Guide the inoculators to vaccination site
- ② Confirmation of inoculation ticket
- ③ Process after inoculation
- ④ Posting information on the bulletin board
- ⑤ Medical equipment offered by OSG
